Presidents' Messages:

Derbyshire

On behalf of Derbyshire Athletics welcome to the 26th shared Cross Country Championships with Nottinghamshire AAA at Shipley Country Park, Heanor. This venue usually provides a challenging course for the athletes, course markers and marshals and Officials due to the heavy clay underlying the surface if the weather has been very wet prior to the Championships.

With that proviso I am sure the athletes will rise to the challenge and produce some competitive racing throughout the day. Not only are Championship medals up for grabs but also team places for the Inter County CAU Championships in March. Athletes are to look out for their selection letters at the end of their race.

Thank you to the people who work tirelessly behind the scenes – designing and building the courses (Heanor RC), accepting the online entries over several weeks, the organization and preparation for the Championships over several months and the roles of the Technical Officials throughout a long and challenging day.

Good luck to everyone taking part in whatever capacity today.

Barry Parker
Chair, Derbyshire Athletics

Nottinghamshire

I am delighted to welcome you to the Nottinghamshire Cross Country Championships for 2025. We are very grateful to Heanor Running Club who are the hosts of the Event this year on behalf of Derbyshire Athletics. I know from my own experiences of running at Shipley that the course will provide a challenging and enjoyable test for all participating athletes.

Events such as these take a great deal of organisation and on behalf of all the athletes, I would like to thank all the Officials and Volunteers from Nottinghamshire and Derbyshire who work so hard to ensure the smooth running of the championships. This includes the championship entry administrators, course set up team, the parking team, the marshals, the timing team and the results team.

Whether you are an athlete, coach, official, parent or spectator, I hope you enjoy your day!

Steve Tupholme
President, Nottinghamshire AAA
