Thank you all for competing on a decent morning for fell running and the rain did the decent thing of not coming until after the race and presentation. The results presented here are provisional and for scrutiny. In the event of any errors being found please email topwilko@yahoo.com for corrections.

Thanks again to you all,

FINAL OVERALL RESULTS

Placing of finishing positions guidance

The rules for the 2019 fell champs can be found in full in the fell running section of this Notts AAA website.

Briefly, places in the open / overall race and the age categories were based on the best i.e. 2 lowest race results out of the 3 race series. In the event of only 1 race completed in a category, then 1 race was counted.

In the event of a tie with points, positions were determined by head to head between the tied positions, if still tied then by the best position in the Longshaw race, and if still tied the best position in the Wolf's Pit race.

NB There is no separate age category for under 35 i.e. only the full open race category.

The results are provisional and open for scrutiny and there may be errors and for which I apologise in advance if that is the case. Please contact me on topwilko@yahoo.com if you have any queries.

All full race results and runners' times FOR Wolf's Pit, Chrome Hill and Longshaw can be found in the results sections on the FRA website.

WP = Wolf's Pit

CH = Chrome Hill

L = Longshaw

Thanks,

Dicky Wilkinson September 2nd 2019
